The Special Prizes and Big Gift Ballots announced Saturday have made a stir among the candidates and many are busy making clubs for the big votes so desirable and necessary to have later on.

The character of these Special Prizes appeal to the fair minded people of Richmond for what is there more appropriate to own than U. S. War Certificates at this time, or what could be more desirable than money to any worthy organization?

There could be no more opportune time for a circulation campaign than right now. This is a time when people want news. They are going to read newspapers more at this time than any other, therefore the opportunity for getting new subscriptions and renewals should be the very best. A number of candidates are finding it easy to gather subscriptions and in fact it is only a matter of going after them with determination and not be discouraged over a few "turndowns."

$25.00 IN GOLD COIN

will be given to any Patriotic, Fraternal, Charitable or Religious Society out of the proceeds on subscriptions during the period between March 23, and April 13th, and

$25.00 IN U. S. WAR CERTIFICATES

shall be given to the candidate in this contest who succeeds in getting the largest number of "Subscribers' Gift Ballots."

10,000 MORE VOTES

Each yearly subscription, or its equivalent, gives the candidate 10,000 more votes than the regular schedule, therefore, when you have five of these "Subscribers Gift Ballots" you have 50,000 votes, plus 50,000 votes as shown on the regular schedule, and you have then 100,000 votes in all, for 5 yearly subs or the equivalent.

It is not hard to make up a club of these every day or two if you will only try. Get as many of these "Gift Ballots" as you can while they are to be had so that you can be well fortified for the remaining two weeks.

REMEMBER!

It is a good time to enter this contest and take advantage of these big votes. Think it over and then get busy.

These lovely prizes, all of them are to go to the ones who will get after them in earnest.

If only takes a few votes to have your name at the top at this time, and it is an easy matter to get votes if you only get after them.

Who will lead the districts tomorrow?

H. C. CUTTING GOES TO JAIL IN DEFAULT OF BAIL

OAKLAND, March 26.—Refusing to put up a bond himself or to permit friends to do so, Henry C. Cuttinug, president of the Richmond Land and Canal Company, spent last night in the Alameda County Jail. Cutting was ordered committed for contempt of court by Federal Judge W. C. Van Fleet on March 18 for failure to pay $500 fees to Master of Chancery H. M. Wright.

Cutting appealed to the United States Circuit Court of Appeals and was yesterday surrendered to Marshal James B. Holohan in order that bail could be given pending appeal. Upon arrival at the Marshal's office Cutting refused to put up the bond or let others do it for him and went to jail.

The fees were ordered paid as the result of litigation against Cutting before Referee Wright brought by Henry J. and Frances Woodward. The suit went against Cutting, and January 16 he was ordered to pay the fees. Cutting has asserted that he will spend the remainder of his life in jail if necessary rather than pay the fees to Wright.

PEOPLE OF THIS CITY EXPRESS WILLINGNESS TO HELP GOVERNMENT IN HOUR OF NEED WITH RESOURCE

Richmond responded to the patriotic demands on her yesterday and is keeping up the pace today. It has been one continual round of activity of some sort every minute since Dr. Frederick Vining Fisher and his patriotic collegues came to town and the finish, so far as the visitors are concerned, will be some time tonight.

There were three big meetings held in this city last night and every one of them was packed. At the Lincoln Auditorium the crowd was held until 10:30 o'clock and then they wanted to hear more. They wanted to be told how they could serve the government and just what is required of each man and woman present in order to win the war in the shortest possible time. A. H. Naftzgar, vice-president of the State Council of Defense made the main speech at the auditorium last night, while the chief talk at the Wesley Methodist church overflow meeting was made by Dr. Frederick Vining Fisher. Both places were packed and the audiences were very enthusiastic.

George Hough Perry was the chief speaker at the meeting held in the Point Richmond Opera House last night and that spacious auditorium was packed with cheering humanity, all intent with the single purpose of in some manner helping the United States government. The Italian Band furnished the music and the Italian Colony was well represented at the meeting. It was a great success and it was due in a large measure to the excellent management of the committee in charge under the leadership of Ben Brignone.

Lieutenant Carter, formerly of the Canadian overseas service, who has participated in some of the hardest fought battles on the Western front with the Huns, was one of the chief speakers at Wesley church last night and he told of the job ahead of the Allies. He also told of atrocities committed by the Germans on Allied soldiers, painting world-pictures which will never be forgotten by his hearers.

The activities for today thus far was the luncheon for women at noon at Pythian Castle, which was presided over by Mrs. H. A. Stiver. Earlier in the morning Dr. Thomas R. Boyer presided over a War Council of Patriotic Citizens at Lincoln Auditorium. War activities and other problems were taken up and discussed and all of the various Liberty Loans, Thrift Stamps, Red Cross and other drives were handled each in turn. The program up to the time of going to press follows:

BUILDING OF HOMES HERE TO BE THEME OF DINERS

The Richmond Industrial Commission did not hold their meeting at Jules' Cafe in San Francisco today as was announced, but the affair was postponed on account of the big patriotic demonstration in this city, which a number of the members of the Commission desired to attend.

It is announced that the matter of home building is to be the theme of the speakers at the Industrial Commisssion luncheon and the day has been fixed for the 2nd of April, the hour being 2:30 o'clock.

Just what has been evolved by the members of the Industrial Commission regarding the home building program has not been ascertained, but it is understood that some solution of the problem has been outlined and will be presented to the diners at that time. It is desired that a good attendance of the members of the Industrial Commission be present.

RESISTANCE OF ALLIES IS WEARING MORALE OF GERMAN FOE

LONDON, March 26.—The critical hour of the battle of Picardy is approaching.

A big reserve army is being held behind the allies' rear, and advices from the front today indicated that a strong counter offensive against the Germans might be expected soon.

The Anglo-French forces now hold strongly fortified positions all along the front, and are in a strategic position to send their troops into the fray at any time.

(It is understood that there are American troops in the allies' reserve army.)

WASHINGTON, March 26.—The termination of the world's greatest battle is still far from being in sight. All advices reaching here overnight and today indicated this fact. The German offensive, which has slackened in the face of the stubborn Anglo-French resistance, again was increasing in volume at certain points, these reports show. At other places the forces of the kaiser were holding on while endeavoring to move up badly needed supplies from the rear.

BRITISH HEADQUARTERS IN FRANCE, March 26.—There is reason to believe important events will be recorded within the next few hours, which may lead to a betterment of the position of the armies which are stemming the German onslaught. The enemy is fighting desperately hard against time. In the first day his reserves were reduced to fifty-two divisions. At the end of the second day some forty divisions from the reserves had been put in. A heavy German attack yesterday about Erviliers was completely smashed by the British artillery fire.

LONDON, March 26.—Exacting the heaviest toll for every foot of ground, the British line continues to withdraw slowly before the pressure of the German masses, Reuter's correspondent at British headquarters wires. Over a large part of the battle zone the retirement is being made voluntarily so as to maintain an unbroken front. Prisoners say the advance of the Germans is behind their schedule.

PARIS, March 26.—The battle continues with the greatest violence and the Germans are making still greater efforts along the whole front between Noyon and Chaulnes, the war office announces.

RED CROSS IS GRATEFUL FOR LIBERAL HELP ACCORDED BY OUR PEOPLE

Richmond may justly feel proud of the way she has responded to the call for clothing for the needy people in Belgium and Northern France. 6875 pounds of clothing and shoes in 33 large boxes donated by the merchants of Richmond were shipped from here in good shape.

The work of collecting and shipping this clothing was handled by the Richmond Red Cross Chapter, who appointed Mrs. W. A. Boone and Mrs. W. S. Lucas to take charge of the two receiving stations, where the clothing which was solicited and collected through the efforts of the mobilized women of Richmond, was sorted, listed and packed for shipment. Mr. and Mrs. H. D. Chapman assisted untiringly, and thanks are due to Mrs. U. S. Abbott, Mrs. W. L. Ballenger, Mrs. J. C. Owens, Mrs. Percy Transue, Mrs. Stanley Wright, Miss Norma McGinty, Mrs. Laura Lawrence, Mrs. Moody, Mrs. H. C. Lunceford, Mrs. Ed. Gray, and from the South Side Improvement Club, Mrs. J. Misner, Mrs. W. H. Cavin, Mrs. H. L. Rockwood, Mrs. M. V. Wright, Mrs. Dunning and Mr. and Mrs. W. A. Jones, Mrs. C. S. Gibson, Mrs. B. X. Tucker, Mrs. C. S. Renwick, Mrs. V. A. Fenner and others. We especially wish to thank Mr. P. M. Black for cleaning soiled suits, overcoats coats, etc., gratis, also Mr. Randall who took charge of the boxing, assisted by other members of the street department, who are Messrs. Crook, Tyler, Baldwin, and Hunt, and Frank Scholes who was of great assistance with his truck on Saturday. Others who assisted were Councilman Long, Charles Fulse, W. A. Boone and Abe Horritz. Mr. R. W. Byrn donated the use of the vacant store room at Tenth and Macdonald for receiving station.

RICHMOND RED CROSS CHAPTER

2000 MEN ARE NEEDED FOR SEARCHLIGHT REGIMENT

An excellent opportunity is being offered to young men possessing a knowledge of electricity and mechanics as well as experienced electricians, gas-engine operators and machinists to serve the Government effectively in its fight for democracy, according to C. M. Brewer, manager of the Western States Gas and Electric Co., of this city.

The War Department is organizing a regiment of searchlight companies for special service abroad. These units will be highly specialized and used for battle illumination and anti-aircraft protection. The companies will be armed and equipped as regular military units and will form part of the regular army organization. They will be called upon for extremely active work in the war zone and pains are being taken in the selection of the personnel of the companies.

What Is Your Job?

Electrician? Gas-engine operator? Machinists? Motor truck driver? Blacksmith? Horse shoer? Mechanic? If you follow one of these trades, there is a place for you in the 56th. Ablebodied white men between the ages of 18 and 21, who can meet the requirements, are eligible. White men with red blood are wanted. This will be work for real men—no pikers or yellow-stripes need apply. Men are wanted who have made a success in civil life, according to Brewer.

Men of proper experience who have already been drafted into the service may in special cases be transferred. The plan is to obtain bright, young, intelligent and ambitious men who possess a fundamental knowledge of electricity and mechanics as well as trained and experienced electricians, gas-engine operators and machinists.

Men must first enlist as privates and will be paid $30.00 per month. Non-commssioned grades will be available at rates of pay from $36 to $96 per month and future promotion is open to those of ability. This pay is all clear money, for the Army furnishes all food and clothing free. There's plenty of room at the top. The man who has the necessary training and ability cannot serve his country better than by joining such an organization.

FAVORS SUISUN BAY CHANNEL IMPROVEMENT

WASHINGTON, March 26.—Federal improvement of Suisun bay, which connects with San Francisco bay and bears commerce from the Sacramento and San Joaquin rivers estimated at $34,530,535 annually, was recommended to Congress today by the War Department. The proposal is that the Government and the local community each pay half of the $129,000 initial cost for a channel through Suisun bay, from Martinez to Antioch, 300 feet wide throughout, 24 feet deep across the lower shoal near Bull's Head Point, then 20 feet deep across Point Edith and Middleground shoals and 18 feet deep through New York slough. It will cost $7,000 annually to maintain the waterway.

Manager Dan Reardon of the Richmond Theater, donated a large bundle of gloves from his accumulation of articles found in his theatre during the past three of four years, to the local Red Cross Chapter. These gloves are to be made into vests for the aviators, to keep out the cold of the high altitudes.

THEODORE BELL IS COMING HERE TO START DRIVE

Charles J. Crary, who has been the main spoke in the wheel of the past two Liberty Loan drives, announces that he is making an effort to have Theodore Bell deliver an address here on the evening of the 6th of April at the beginning of the next drive. It is understood that Mr. Bell will be engaged in a very important suit in the Fresno courts at that time, but he has expressed a wish to comply with the local committee's request if he can reach this city and at the same time do his duty by his clients.

Train connections are a little bit uncertain from Fresno, but an effort will be made to arrange for the trip here and return, so that the people of Richmond will be able to listen to Mr. Bell's able address on a subject which is so vital to us all.

YOUNG LAD'S FUNERAL TO TAKE PLACE TOMORROW

The funeral of Joseph Rutherford, the 14-year-old son of Mr. and Mrs. James Rutherford, former residents of Richmond, but now living at Pleasant Hill, who was accidentally killed by the discharge of a small gun with which he was hunting rabbits Sunday afternoon, will take place at St. Mark's Catholic church in this city tomorrow morning at 10:15 o'clock. Services will be conducted by Rev. Father P. M. Griffin. Interment will take place in St. Mary's cemetery, Oakland.

The remains will be brought by automobile to this city tomorrow morning by a Martinez undertaking firm.

Young Rutherford went out hunting Sunday afternoon, taking along a small rifle. He was found in a dying condition not long afterward by a couple of men in a field not far from his home. He was rushed to a hospital in Martinez, but died shortly afterward. The bullet entered the boy's mouth and lodged in his brain. It is supposed that he tripped and fell while running, which caused the gun to explode the cartridge.

Mose Moch, manager of the Richmond-San Rafael ferry, departed for Cloverdale and intermediate points today on a business mission for his company. He will doubtless return tomorrow.

LIEUTENANT DE LAP WRITES TO CRARY

Charles Crary received a letter this morning from Lieutenant T. H. DeLap, who is now with General Pershing's Expeditionary Forces in France. He declares that he is gaining in weight, in spite of the fact of incessent toil.

Lieutenant DeLap intimates if it were not for the watchful eye of the censor he might be able to write something of interest, but contents himself with telling about the beauties of the country, which he describes as picturesque in the extreme. He wants letter from his friends here and for the benefit of those who may wish to write, here is the way the letters should be addressed: "Truman H. DeLap, First Lieutenant F. A., O.R.C., U.S.P.O. 718, Expeditionary Forces."

The big closing meeting for the present patriotic rally will take place this evening in the Lincoln auditorium and from present indications it is to be a gigantic affair.

Many Women Bank Here

A very large per cent of our depositors and patrons are women, and we're adding more every day. Women appreciate the courtesy they receive here. One tells another, and thus the long list grows.

It has been our effort to make this a bank with which women as well as men like to do business.

THE GOVERNMENT NEEDS THE MONEY

And there is another class of people in the United States which are found in every community, that will have to practice conservation. They are the tax-eaters, who have waxed fat, bold and indolent at the expense of the people, for the reason that we could better afford to put up with their levying of unjust tribute, than create trouble by compelling them to go to work for a living at some honest employment.

But this war is going to change all this. Somebody beside the common people are going to be compelled to give up something. High salaried members of commissions in the state of California must lose their jobs or accept less compensation, and then coming down to the smaller fish there are county and municipal officers. Right here in Richmond we are maintaining a staff of municipal officials that are a burden to the people and the same is true of every other city government in the state.

This is war time and the government needs the money to win it. Let us begin conserving where it will do the most good. Let us save every dollar possible in our homes and then let us save every dollar we can in the community, by lopping off unnecessary expenses in conducting municipal and county affairs.

The taxpayers should not be the only ones to practice economy. Let the tax-eaters get down to the true economical basis of the entire country. Retrench in every form of government, from the lowest to the highest and let us begin this retrenchment right at home and see that it reaches all, without class distinction. This is the handwriting on the wall. The wise will read and heed before the people take matters into their own hands.

There is an element in this country which can only be properly called the American Bolsheviki and they will argue with you all day long, if you will yet them to convince you that all of the allies are just as bad as the kaiser from every viewpoint and that it is a sin for the people of this country to fight on the side of England. Another man is reported to have said—and he is a candidate for the United States senate from one of the Eastern States—when he is elected he will introduce a bill in the national congrss calling every soldier from Europe. That is what the kaiser wants. Such men are valuable to the kaiser in this country and no doubt he is paying well for them wherever they can be found.

If this war teaches the average American citizen economy and the habit to rely on self, instead of the clever handiwork of the Germans, it will have accomplished a considerable good. As an evidence of what is accruing to us from stress of circumstances is the announcement that an American dye factory is turning out dyes which are as good and lasting as anything ever manufactured by the Huns.

Is the fact that men have held office and eaten out of the public through long years sufficient to make them immune to punishment when they break a law?

Ben Reitman announces his intention of dropping anarchism and devoting all his time to practicing medicine and writing poetry. We wish he'd reform altogether and practice medicine.

JUDGE FOR YOURSELF

Which is Better—Try an Experiment or Profit by a Richmond Citizen's Experience

Something new is an experiment. Must be proved to be as represented.

The statement of a manufacturer is not convincing proof of merit.

But the endorsement of friends is.

Now supposing you had a bad back,

A lame, weak, or aching one,

Would you experiment on it?

You will read of many so-called cures.

Endorsed by strangers from far-away places.

It's different when the endorsement comes from home.

Easy to prove local testimony.

Read this Richmond case:

T. P. Cummings, 1714 Macdonald avenue, says: "I suffered from backache and other symptoms of kidney complaint. When I stooped, I often got a catch in the small of my back and could hardly straighten up. My kidneys acted irregularly. Two boxes of Doan's Kidney Pills cured the backache and regulated my kidneys."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Cummings had. Foster-Milburn Co., Mfgrs., Buffalo, N. Y.—Adv.

STOP CATARRH! OPEN NOSTRILS AND HEAD

Says Cream Applied in Nostrils Relieves Head-Colds at Once.

If your nostrils are clogged and your head is stuffed and you can't breathe freely because of a cold or catarrh, just get a small bottle of Ely's Cream Balm at any drug store. Apply a little of this fragrant, antiseptic cream into your nostrils and let it penetrate through every air passage of your head, soothing and healing the inflamed, swollen mucous membrane and you get instant relief.

Ah! how good it feels. Your nostrils are open, your head is clear, no more hawking, snuffing, blowing; no more headache, dryness or struggling for breath. Ely's Cream Balm is just what sufferers from head colds and catarrh need. It's a delight.

Stomach Trouble Cured

Oakland, Oct. 2, '17
My stomach was my master for many years. I am a clerk in the office of the lumber department of the S. P. Co., and after every meal I had an annoying, grating sensation, together with an empty feeling in my stomach. Through lack of nourishment my health was broken and I was in a hospital for several weeks. The doctors first cleaned me out with a stomach pump. Then they treated me for ulcers, and finally, as I did not improve, they observed my digestion through an X-ray. Concluding that they could do nothing for me they sent me home with the suggestion of an operation.
Then a fellow employee who had received a great benefit by drinking the FONG WAN CHINESE HERBS suggested that I try them. The first cup of tea brought me genuine relief, and after a few weeks I was entirely cured. I am back in the office and will be glad to give my personal testimony to any desiring it.

JANE GREY
IN
"HER FIGHTING CHANCE"
A HOFFMAN—
FOURSQUARE PICTURE

Jane Grey in "Her Fighting Chance" is today's feature at the Richmond Theatre.

Viewed purely on its dramatic side the picture is an excellent example of what can be accomplished on the screen with a good story and a competent star and cast in the hands of a thoroughly capable director. The picture gets over on the strength of story and manner of presentation without resorting to the spectacular. The characters are well selected, both as to type and ability. This also holds goods of the minor characters, who furnish convincing "atmosphere" to Mr. Curwood's virile story of the north woods. The novel is full of plot action and permits of many tense situations, all of which have been retained in the film.

Tomorrow and Thursday the second episode of the famous Italian War Pictures will be shown, continuing the story of the battle in the Alps against the Hun invader.

IRISH SINGER IS COMING TO THE OAKLAND ORPHEUM

It all goes to prove once again that a little judicious encouragement, properly applied, is a wonderful thing, and that if many of life's failures had been encouraged in their youth they might not have been failures.

Take the case of Will Oakland, the Irish singer coming soon to the Orpheum in "Danny O'Gill, U. S. A." Oakland is today one of the most successful vocalists in vaudeville. Ten years ago he never dreamed that he would ever be a top-notcher on the stage. He felt that he could sing a little, but never did he give thought to the idea that he might do for vaudeville. And then along came the leader of a cavalry band and put the idea into his head that he could sing. The leader persisted in his encouragement and today Will Oakland is in vaudeville as a result.

Now, then, what might have happened if the band leader had not encouraged Oakland? For one thing vaudeville would have lost a distinct acquisition. For another, instead of drawing down a large fat salary every week, Oakland might now have been drawing down a private's or possibly a corporal's or a sergeant's pay in the army, not for patriotic reasons but because that might have been his life's work.

IF KIDNEYS AND BLADDER BOTHER

Take a glass of Salts to flush out your Kidneys and neutralize irritating acids.

Kidneys and Bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in avoiding it.

Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs which then act normally again.

Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jad Salts is splendid for kidneys and causes no bad effects whatever.

Here you have a pleasant effervescent lithia-water drink, which quickly relieves bladder trouble.—Advt.

STATE FISH LAW HELD VALID BY FRISCO COURT

SAN FRANCISCO, March 26. — The State Fish Exchange Act, which creates a State Market Director and confers upon him the authority to fix fish prices, was held to be constitutional by Judge Sturtevant yesterday.

The decision was rendered on the petition of State Market Director Harris H. Weinstock for a writ of mandate to compel A. Paladini, known as "the fish king," to produce his stock ledger and sales book in court. Judge Sturtevant ordered the books brought into court next Tuesday morning.

The bringing to court of the books was set for one week hence, to permit Stafford & Stafford, attorneys for Paladini, to petition the Supreme Court for a writ of prohibition to prevent the enforcement of Judge Sturtevent's order. Sapiro, Neylan & Ehrlich, attorneys for Weinstock, agreed to this arrangement.

"THE MAN BEHIND"

Did it ever occur to you the importance of "The Man Behind"? He is the man who does things in this world. Upon his shoulders rests the fortune and development of any country. The foundation of progress is made by him and without him all business would suspend. If you are deserving, who is it that will listen attentively to your cause, and assist in all good projects?

'Tis the man behind the writing desk, the man behind the hoe, the man behind the counter and the man behind the blow. It's the man behind the shovel, the man behind the plow, the man behind the horses and the man behind the cow. 'Tis the man behind the salary, and the man of humble worth—the man who knows sympathy is the salt of mother earth. The man behind a principle and the man behind hard graft, the man behind what's honest and the man behind the craft. The man behind the hammer, the man behind the saw, the man behind the apron and the man behind the paw 'Tis the man behind the boost, the man who is the hub around which all things circulate, he's the man who gives the sub.

The man behind this poem (?) knows, that all of you will find, the man who'll help the candidate, is the worthy man behind.

CALUMET BAKING POWDER

For instance — one spoonful of Calumet will positively do the work of two spoonfuls of most other kinds. You use only a level teaspoonful to a cup of flour. With other brands you must use twice as much. You use the smallest amount of Calumet because you get the greatest gas strength. Besides—Calumet never fails—stops all baking day losses—reduces bills for baking ingredients. The great savings of Calumet are shown in these results.

Order a can today — try it. Prove for yourself the truth of these statements.

Calumet contains only such ingredients as have been approved officially by the U. S. Food Authorities.

MORE BIG SHIPS ABOUT READY TO LAUNCH

SEATTLE, March 26. — Puget Sound yards will send five big steel freighters into the water this week, four in Seattle and one in Tacoma, the first steel vessel to be launched from the latter port. These launchings will bring Seattle's total tonnage placed in the water for the first three months of this year to 116,800 tons.

OAKLAND, March 26. — Three more great steel ships, the keels of which were laid at the triple launching ceremonies March 14, will be launched July 4, according to the announcement of J. A. Moore, manager of the Moore Shipbuilding Company.

The event will be the second triple launching in the world's history and will mark the completion of three 9400-ton boats in 110 days. The time will beat the previous record for speedy ship construction by eight days.

To My Friends and Patrons

I have lately enlarged my store, and have added an ice cream parlor to it. When the ladies are down town shopping, I want them to drop in and try the most delicious ice cream they have ever tasted.

If you are, tired from walking drop in and rest whether you purchase anything or not, you are welcome.

My stock of candies is large and varied and I can suit the tastes of any one.

My stock of chicks, rabbits, eggs and baskets for Easter is all that could be desired.

To the men, I want to say that the varieties of tobaccos and pipes is big, and the prices are just what they ought to be—reasonable

I am always at your service.
